Proceeding under the *Class Proceedings Act, 1992*

**MINUTES OF SETTLEMENT**

**WHEREAS** this certified Class Action was decided by summary judgment on May 13, 2019;

**AND WHEREAS** judgment was granted to the Plaintiff in the amount of \$15,300,000 in compensatory damages and \$1,500,000 in punitive damages, plus pre-judgment interest of \$1,233,753; plus post-judgment interest (at the rate of 3.0% per annum on \$18,063,753 from May 13, 2019);

**AND WHEREAS** costs were awarded to the Plaintiff in the amount of \$905,244.02 plus postjudgment interest (at the rate of 3.0% per annum from October 21, 2019), in addition to costs previously awarded in the cause in the amount of \$10,000 plus postjudgment interest at the rate of 2.0% per annum commencing on April 10, 2017;

**AND WHEREAS** judgment was granted to the Defendants dismissing the balance of the Plaintiff's claim;

**AND WHEREAS** the Defendants commenced an appeal of the judgment against them;

**AND WHEREAS** the Plaintiff commenced a cross-appeal of the judgment dismissing the balance of the claim;

**AND WHEREAS** the appeal and the cross-appeal are scheduled to be heard by the Ontario Court of Appeal on June 9 and June 10, 2020;

**AND WHEREAS** the Parties have agreed on terms to fully and finally settle this action, including the appeal and the cross-appeal;

**AND WHEREAS** the Plaintiff and Class Counsel have concluded, after carefully considering the relevant circumstances, that: (1) it is in the best interests of the Class to enter into the settlement in order to avoid the uncertainties of further appeals and to ensure that the benefits reflected herein, including the amount to be paid by the Defendants under this agreement, are obtained for the Class; and (2) the settlement set forth in this Settlement Agreement is fair, reasonable, and in the best interests of the Class;

**AND WHEREAS** the Defendants are entering into this agreement in order to achieve a final resolution of all claims asserted or which could have been asserted in this proceeding and to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation;

**AND WHEREAS** counsel for the Defendants and Class Counsel have engaged in arm's-length settlement discussions and negotiations, resulting in this agreement;

**NOW THEREFORE** for good and valuable consideration, the Parties agree to settle this Class Action fully and finally on the following terms:

1. The Defendants (collectively "PTC") agree to pay the gross sum of CDN\$17,000,000 (the "Settlement Amount"), including \$6,186,000 for unused balances after the "valid thru" date",

inclusive of all amounts owing by PTC or otherwise to be paid by PTC in respect of the Settlement Amount, including in respect of costs (including fees and disbursements), tax and interest.

2. The cost of notice and administration will be borne, in equal shares, by PTC (separate and apart from the Settlement Amount), and by the Class (out of the Settlement Amount) up to CDN\$ 75,000, after which such additional cost will be paid out of the Settlement Amount.

3. The Parties have advised the Court of Appeal that as an essential component of an overall settlement to be put before the Case Management Judge for approval, that the Parties will request that the Court of Appeal issue an Order containing the following terms ("Court of Appeal Order"):

- (a) That PTC's appeal with respect to the issue of punitive damages be allowed and the Order of the Superior Court be reversed on this issue;
- (b) That the balance of PTC's appeal be dismissed;
- (c) That the Plaintiff's cross-appeal be dismissed; and
- (d) That there be no costs to either party in respect of the appeal or cross-appeal.

4. The Court of Appeal panel has advised that it will make the Court of Appeal Order upon approval of the Settlement by the Case Management Judge.

5. The Parties will agree to adjourn the pending appeal, and cross-appeal to a date following the Settlement Approval Hearing at which time, providing that the Settlement is approved by the Case Management Judge, the Parties will request that the Court of Appeal issue an Order containing the following terms:

- (a) That PTC's appeal with respect to the issue of punitive damages be allowed and the Order of the Superior Court be reversed on this issue;
- (b) That the balance of PTC's appeal be dismissed;

- (c) That the Plaintiff's cross-appeal be dismissed; and
- (d) That there be no costs to either party in respect of the appeal or cross-appeal.

6. The Parties will negotiate in good faith, with a view to concluding, by no later than July 15, 2020, a Settlement Agreement which will provide, among other things, for the following:

- (a) the payment of the Settlement Amount to PTC's Counsel on a date that is no earlier than 60 days after execution of the Settlement Agreement, such monies to be held in trust by PTC's Counsel until final approval by the Court of this settlement;
- (b) the allocation method of those Settlement Amounts to be paid to the Class;
- (c) the mechanism for determination and payment of Class Counsel fees, subject to approval by the Court;
- (d) notice of the settlement to the Class; and
- (e) a full and final release and bar against claims over, in the customary form, of all claims by the Class, known and unknown, relating to all matters raised or that could have been raised in this Class Action up to and including the date of the execution of the Settlement Agreement.

7. The Parties shall use their reasonable best efforts to implement the settlement agreement and to obtain approval of the Settlement Agreement by the Court no later than September 30, 2020 and disposition of the appeal, no later than October 31, 2020.

8. PTC agrees that, subject to the approval of the Court, the net proceeds of the Settlement Amount may be distributed in two pools, one to be paid to Class Members who possessed Single

Load Pre-Paid Cards, and the other to be paid to Class Members who possessed General Purpose Reloadable Cards.

9. PTC will cooperate with Class Counsel in providing reasonably necessary information required for the administration of this settlement and the distribution of the Settlement Amount.

10. This settlement and the terms to be set out in the Settlement Agreement are conditional upon approval by the Court. In the event that the settlement agreement is not approved by the Court, neither Party will be bound by the terms of this settlement nor the Settlement Agreement and the appeal and cross-appeal will be scheduled for hearing at the earliest reasonable date.

11. These Minutes of Settlement may be executed in counterparts, each of which when so executed and delivered shall be an original, but all such counterparts together constitute one and the same instrument.
